## “The Oak Lives On . . .”

Photographed by A. J. Lawrence.

Despite a modern tendency  
 To use ten syllables for three,  
 “Expectorate” instead of “spit”  
 And “excavation (deep) for “pit”,  
 An “educational estab-  
 lishment” sounds nothing less than drab,  
 Which once again proclaims the rule  
 THERE IS NO SUBSTITUTE FOR “SCHOOL”.

LINDA KIRK, 5 German.
