### HOUSE REPORTS

#### Broomfield House

The enthusiasm instilled by last year's success has resulted in Broomfield again winning the House Shield; this time by a considerable margin.

Once again we have won the Hanson Cup for Work, although, after a fairly good start, we managed to lose a large number of points through conduct—Broomfield members please note!

Our successes in games included the Football, Rounders, Swimming and Athletics competitions. The girls did particularly well on Sports Day, but their Hockey and Netball teams could do with some practice.

We look to all members of the House to do their utmost to make next year a "Hat-Trick" year.

We would like to thank the Broomfield members of staff, who have contributed so much to our success by their kind help and advice throughout the year.

T.K.M. AND J.B.

#### Grovelands House

The House improved considerably during the past year, and finished runners-up to Broomfield.

A big factor in this improvement was our first place in conduct which is a credit to the members of the House. But, once again, we failed miserably in work, coming a lowly third.

The boys, especially the Juniors and the Seniors, showed great enthusiasm, gaining first place in Cricket and second in Football. However, while the girls performed creditably in Hockey, their Netball, Rounders and Tennis positions were disappointing.

In Athletics, we performed well, gaining second place and winning the Cross Country Cup, but our Swimming result, third tie with Chandos, was not as good.

We should like to thank Miss Crossley and Dr. Packer for their help and encouragement throughout the year, and we hope that, with a little more effort, we shall become Champion House again, an honour which has eluded us for many years.

A.M. AND A.F.
