Deputy : PHILIP JOHNSON

HOUSE REPORTS

Broomfield House

The year was a successful one for the House, we won the House Shield for the third successive year.

This achievement was largely because of our success at work and our conduct. The boys did moderately well in sport retaining the Cross Country Team Cup. Unfortunately the girls were not as successful as we had hoped. They were fourth in netball and hockey, but compensated somewhat by coming second in tennis and rounders.

In the coming year we hope to repeat our success in work and to improve our efforts in sport, so that in 1960 we shall once more be Champion House.

Finally we should like to thank Mr. Thomas, Miss Atkin and Mrs. Bradding for their assistance and encouragement throughout the year.

D.W. AND B.B.

Chandos House

This year we improved on our former position and won the cup for work. But were badly let down by our Junior and Intermediate boys' bad conduct. This lost us the House Shield—newcomers take note! If this matter can be adjusted Broomfield can expect some rivalry. The girls did well to win the Netball Cup, but otherwise failed to impress. The boys put up a good performance in winning the Cricket Cup and to come second in football. Unfortunately the House came fourth in both swimming and athletics.

Our thanks are due to Mr. Bullen, Miss Hill and Miss Perry for their help and encouragement throughout the year, and we would like to re-welcome Miss Corbett to the House.

T.T. AND D.S.
